If students **feel ill at school**, they must speak to the teacher of their current lesson who will send the student to reception for contact home **if necessary**. Only Key Stage leaders — Miss Pugh or Mr Jervis can give permission for students to be sent home if they are feeling ill.

Students should not contact home themselves to request collection by parents or to get parents to ring school requesting medicines. Contact home should only be made by staff members in these circumstances.

Thank you for your co-operation.

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.
