

MOTORCYCLE PERMIT

To be completed by the parent/carer of the student wishing to travel to and from school on his/her motorcycle.

I wish my son/daughter to travel to and from school on his/her motorcycle and to leave it on the school premises during school time.

The motorcycle will be used *every day / occasionally * Please delete as appropriate

I accept that:

- a DL196 Certificate (*Compulsory Basic Training*) must be provided;
- this is a privilege afforded to my son/daughter;
- the motorcycle must be in good working order with efficient brakes;
- the motorcycle will be left in the bicycle shed adjacent to Reception;
- the motorcycle must be ridden in a responsible and sensible manner to and from school;
- the motorcycle must **not** be ridden on the school premises during the school day;
- the crash helmet etc must be kept in a locker during the day;
- in extreme inclement weather the motorcycle must not be used for transport to school;
- my son/daughter must arrive at school by 8.45 am and leave after 3.20 pm in order to avoid the school buses.

I understand that:

- the contravention of any of the above could mean the withdrawal of permission to leave the motorcycle on the school premises;
- the school cannot be held responsible for the safety of the student travelling to and from school;
- the school provides a bicycle shed to house the motorcycle but requires the student to take responsibility for further security;
- complaints from local residents about the manner in which a motorcycle is being ridden will result in the withdrawal of this privilege;
- school will telephone parent/carer to verify information given.
