Dear Parent/Carer,

Junior STEAM Club

We would like to invite your Year 6 son/daughter to Junior STEAM (Science, Technology, Engineering, Art and Mathematics) Club. Junior STEAM is a hugely popular club run by Mary Webb School teachers for Year 6 pupils. It is hands-on, interactive and lots of fun (and sometimes just a bit messy!). Glitter slime is a particular favourite!

The club helps Year 6 pupils get used to being at Mary Webb School before they start next September and introduces them to many other Year 6 pupils from other schools in the area. We feel it is a hugely important part of transition for these pupils.

We are looking forward to welcoming Year 6 to the Thursday after-school club, for 5 sessions, from **3.30 – 4.30pm** on the following dates:

Pontesbury, Minsterley and Stiperstones	Trinity, Longden, Long Mountain and Hanwood
4 th November 2021	6 th January 2022
11 th November	13 th January
18 th November	20 th January
2 nd December	3 rd February
9 th December	10 th February

Please note: There will be no sessions on 25th November 2021 and 27th January 2022 due to other events at Mary Webb School. Please check your primary school dates carefully.

If you would like your child to attend Junior STEAM Club, could you please complete the slip below and return it to the Mary Webb School Office by Friday 22nd October 2021.

Please can you drop off and pick up your child at the science labs which are on the left as you enter Mary Webb School gates. Please note the start time of 3.30, please do not arrive earlier as the area can be very busy with buses.

With best wishes,

The Mary Webb School STEAM Team
