MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

Year 7 Netball

On Thursday 28th April the year 7 girls netball team competed in the district schools netball competition held at Priory.

The team played extremely well winning all 5 of their matches against, Priory, Belvidere, Meole, Shrewsbury Academy and Shrewsbury Girls High School! Over the 5 games the team only let in 4 goals and scored 22 goals in total.

Congratulations on your achievement. **We're** very proud of you all!

GK - Abbie Steward
GS - Maisie McAleavy
GD - Lola Griffiths
GA - Ruby Metliss
WA - Sophia Mansell
WD - Lily Blurton
C - Maisy Challoner

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities and clubs they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Contact Miss Bailey, who co-ordinates the E&E Programme on ebailey@marywebbschool.com
