# Careers @ MWS

## Careers Appointments

The focus for careers appointments in the Autumn term are our year 11s who are busy thinking about their next steps at the end of year 11. All year 11 pupils will be allocated a slot for a 121 appointment over the next few months. If any year 11 is particularly worried about choices, they can request an early appointment via form tutors.

**We have developed the 'Careers @ MWS' area of our school website so that it is now a great source of information** to help students and parents learn more about careers. On the website you will find links to careers quizzes, careers videos, labour market information (how much do different jobs pay and are they growing or shrinking?), and much more. Please take a look here: <https://marywebbschool.com/careers/>

We also use an interactive **careers platform** in called 'Xello' **This short video tells you more about Xello and how it** can help students to think about the future. <https://www.youtube.com/watch?v=NS5I4EwCZ0A> If you want to see Xello in action then please do ask your child to show you their account.

**NEW** for this year – **within the Xello programme there is a 'links and resources' section. We are trying to add any** useful resources and documents for each year group into this page so students should check it regularly.

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please take a look at our '**Enrichment & Enhancement**' Programme timetable below. You can also find our up to date activities on the schools website – [www.marywebbschool.com/extra-curricular/](http://www.marywebbschool.com/extra-curricular/)
