Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

YEAR 11 ART STUDENT LEAVERS 2024

Please could you arrange to collect your Art work. If you could contact the school prior to collecting to allow time for it to be brought to the office.

The school office is open Monday - Friday until 4:30pm

Safety message from the Passenger Transport Group:

**ALL PASSENGERS
MUST WEAR
SEAT BELTS**

Students must always wear the provided seatbelt during their journey on all transport provided by Shropshire Council.

Only one person is allowed in each seat fitted with a seat belt.
Never use the same seat belt across two or more passengers.

Wearing a seat belt not only helps protect your safety, but it also helps protect the safety of others.

We are curious | We are resilient | We are respectful | We are supportive

10th January 2025

Dear Parent/Carer,

We are writing to let you know about arrangements for **applying for a college course** to start in September 2025.

The deadline for the applications is Friday **31st January**, this allows time to complete applications following the receipt of students' mock GCSE results.

Over the next few weeks, your year 11 students will time and support provided to enable successful and timely college applications during PSHCE lessons. Students have been made aware of these and they will be reminded about them over the coming weeks in form time.

It is really important that students arrive for the sessions in school prepared with the correct pieces of information. All of our local colleges have online application systems. The application can only be submitted if all the required fields are completed.

Each student will need to have:

- **a working email address that they are actively using.** This should not be their school email address as they will need to have access to this email after they have left school. This should not be the parents email address, as this will be required as an emergency contact address, and the system does not let you use the same address twice.
- **Emergency contact information** - including email, mobile, home telephone number.
- **a personal statement** saved as a word document. They should have completed these in school.

a copy of their current/target grades. This will be given out by form tutors.

Any student who needs additional time and support can request that through me, Vicky Wilkinson, Careers Adviser, or through their form tutor.

If you and your child would prefer to complete these applications together at home or have completed prior to the sessions in school, that is absolutely fine. You will need to ensure you have all the information that you need at home. Please let your form tutor know if you have done this.

To apply to Shrewsbury College www.scg.ac.uk :

The process is explained in this video:

<https://www.youtube.com/watch?v=Ip34k63wgNc&t=13s>

To create an account use this link:

<https://intake.scg.ac.uk/Register>

To apply use the 'Apply Now' button from the Shrewsbury College home page or use this direct link:

<https://www.scg.ac.uk/basket>

(The 'how to' video is also embedded in this page)

Add your chosen course or courses (for A level applicants) to your basket. Sign in, and complete the online form. You can save your progress and come back to it if needed.

To apply for a Walford College course [Walford College - HLNSC](#):

Go to the course page for the course that you are applying for. Click the button that says 'Apply online Here'. Create an account and then sign in to complete the online form.

To apply for a Reaseheath College course [Reaseheath College | leading land-based college](#):

There is an 'Apply now' button on the home page, which takes you to step by step instructions.

After you have applied

Students who have applied for A levels will be interviewed in school during the normal school day. Dates have not yet been confirmed but this is likely to be mid-February.

Students who have applied for vocational courses will be invited for interview at the college. These interviews take place after school or on Saturday mornings throughout the year.

Kind regards

V Wilkinson

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the '**Revision** Guides and **Workbook**' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.

Careers @ MWS

Careers Appointments

The focus for careers appointments in the Autumn term are our year 11s who are busy thinking about their next steps at the end of year 11. All year 11 pupils will be allocated a slot for a 121 appointment over the next few months. If any year 11 is particularly worried about choices, they can request an early appointment via form tutors.

We have developed the 'Careers @ MWS' area of our school website so that it is now a great source of information to help students and parents learn more about careers. On the website you will find links to careers quizzes, careers videos, labour market information (how much do different jobs pay and are they growing or shrinking?), and much more. Please take a look here: <https://marywebbschool.com/careers/>

We also use an interactive **careers platform** in called 'Xello' **This short video tells you more about Xello and how it** can help students to think about the future. <https://www.youtube.com/watch?v=NS5I4EwCZ0A> If you want to see Xello in action then please do ask your child to show you their account.

NEW for this year – **within the Xello programme there is a 'links and resources' section. We are trying to add any** useful resources and documents for each year group into this page so students should check it regularly.

Some web resources to inspire – please also check the school website for useful links:

COLLEGES GROUP**

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please take a look at our '**Enrichment & Enhancement**' Programme timetable below. You can also find our up to date activities on the schools website –
