All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Career Choices Day – Free Webinar!

Are you feeling uncertain about which career path to take? Or perhaps you have many ideas but aren't sure how to choose the right one? We're hosting a **free online event called Career Choices Day on Sunday, 6th April**, specifically designed for students who may feel unsure about their career direction.

During this session, students will receive practical advice on how to identify career options that match their interests and strengths. The goal is to help them understand that it's okay to not have it all figured out yet and to provide them with the tools to explore their options with confidence. Just visit www.careerdays.co.uk/career-choices-day to register.

Career Days – Online Events for Students

There are also new dates for our online **Career Days**, which provide students with the chance to learn about different careers, receive advice on subject choices, and discover how to apply to university. Each session includes **work experience** in the afternoon, allowing students to get a feel for the day-to-day aspects of their chosen career. At the end of the day, students will receive a certificate confirming their work experience.

The upcoming Career Days are as follows:

Medicine Career Day - Saturday 22nd March 2025

Careers @ MWS

Careers Appointments

The focus for careers appointments in the Autumn term are our year 11s who are busy thinking about their next steps at the end of year 11. All year 11 pupils will be allocated a slot for a 121 appointment over the next few months. If any year 11 is particularly worried about choices, they can request an early appointment via form tutors.

We have developed the 'Careers @ MWS' area of our school website so that it is now a great source of information to help students and parents learn more about careers. On the website you will find links to careers quizzes, careers videos, labour market information (how much do different jobs pay and are they growing or shrinking?), and much more. Please take a look here: <https://marywebbschool.com/careers/>

We also use an interactive **careers platform** in called 'Xello' **This short video tells you more about Xello and how it** can help students to think about the future. <https://www.youtube.com/watch?v=NS5I4EwCZ0A> If you want to see Xello in action then please do ask your child to show you their account.

NEW for this year – **within the Xello programme there is a 'links and resources' section. We are trying to add any** useful resources and documents for each year group into this page so students should check it regularly.

Spring Holiday Fun in Shropshire

Have fun with your friends, learn new skills, gain confidence and get involved!

During 14 to 25 April 2025, eligible children and young people are invited to take part in a range of fun activities, happening at holiday clubs from across the county.

There are free places available at HAF holiday clubs for:

- Children and young people aged 4 (in reception class or equivalent) to 16, who are eligible for benefits-related free school meals.

And

- Children and young people living in areas of high deprivation (bands 1-2) and/or from low-income households who are not in receipt of benefits related free school meals. See page 5 for more information about referrals.

Use this Guide to find out what activities will suit your child/ren. Free nutritious meals will be provided at each session.

See www.shropshire.gov.uk/haf for a searchable timetable of all Spring holiday clubs.

For more information about free swimming sessions, gym membership and activities for 12+ please visit www.shropshire.gov.uk/haf

Booking:

All bookings are being made directly with the organisations running the holiday clubs. Your child/ren will be given a HAF Information leaflet and unique code via their school. You will need to use this code when booking.

What You Need To Do:

1. Use this Guide to find which holiday club is suitable for your child/ren. Check dates and times using the online searchable timetable.
2. Book onto activity by contacting the organisation running the holiday club direct, using the contact details in this Guide.
3. When making a booking, please quote your unique HAF Code (see information leaflet issued by your child/rens school, or through professional referral).
4. If your child/ren has SEND (Special Educational Needs & Disabilities) or receives any extra help at school, before booking onto activity, please contact the holiday club to discuss your child's needs. Please see page 6 for more information.

Any queries you have about your booking or the activities on offer, please contact the organisation running the holiday club directly.

Codes

The unique code entitles your child/ren to attend 4 sessions of free holiday activity in Shropshire during the Spring/Easter holidays.

Please don't use this code to book onto more than 4 sessions of activity, it won't be valid.

This code is individual to your child's school and is not transferable to other children.

Eligibility checks are carried out on all bookings.

How do I know if my child/ren is able to access HAF activity for free?

Core Eligibility - There are free places available on the programme for children and young people aged 4 (who are in reception class or equivalent) to 16, who are eligible for benefits-related free school meals.

All eligible children and young people will get information about the programme direct from their school.

Professional Referrals

Wider Eligibility - There are a limited number of free places available for children and young people on the programme, living in areas of high deprivation (top two tiers of deprivation, based on indices of deprivation/income) and/or from low-income households, who are not in receipt of benefits related free school meals.

These children and young people can be referred onto the programme by a professional.

To request a referral form and for more information please email HAF.programme@shropshire.gov.uk or visit www.shropshire.gov.uk/haf

SEND (Special Educational Needs and Disabilities) or children and young people who receive any extra help at school

Holiday clubs with places available for children and young people with SEND have been highlighted in the guide. These places are at holiday clubs offering mainstream activities with a range of children and young people.

Before booking onto any activity, please contact the provider to discuss your child's needs.

1:1 Support:

If your child/ren requires 1:1 support at school (mainstream or specialist) or in any other educational setting, they will also need 1:1 support to access the suitable HAF holiday clubs.

Currently, the HAF programme is unfortunately unable to fund 1:1 support - any child needing 1:1 support to access the programme would need to have 1:1 funding and support in place before attending.

If you have funding in place and need help sourcing a PA to support your child/ren to take part in HAF

activities, some of the activity providers can help. For a fee they may be able to provide a member of staff to offer your child/ren 1:1 support. Please ask the organisations direct about availability and costs. As mentioned above, HAF is not able to fund this 1:1 support.

More information and support is available at www.shropshire.gov.uk/the-send-local-offer/family-support/information-advice-and-support-service-iaas/ and email localOffer@shropshire.gov.uk

SEND Local Offer:

For information about other clubs/activities, information, services, and resources for children and young people with SEND please call **0345 678 9063** (SEND local offer) or visit:

- www.paccshropshire.org.uk/ (Parent and Carer Council)

Paid Places & Longer Activity Sessions

Some of the holiday clubs also include paid spaces for children and young people who are not eligible for the HAF programme. These have been highlighted in the Guide. Please contact the organisation running the club to make a booking. Some organisations are subsidising the HAF programme and are running for longer than the HAF funded 4 hours a day. See online timetable for club times.

Inside Out Holiday Club

Children are taught how to look after themselves, their friends and their environment. We aim to promote healthy lifestyle choices and we encourage children to play outside, be safe, be mindful and care for the wonderful world around them.

The sessions are filled with science, nature and well-being themes. A lot of the day is spent outside in the woodland garden enjoying running, swinging, sliding, digging, making dens, creating art, using tools and enjoying treats around the camp fire.

Inside, children get opportunities to express themselves creatively and can engage in a wide range of activities, with lots of designing, drawing, tinkering, investigating, building and making.

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please take a look at our '**Enrichment & Enhancement**' Programme timetable below. You can also find our up to date activities on the schools website –
