Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

www.marywebbschool.com

Mary Webb School Role of Honour

The following students have achieved above the expected number of house points this week. Congratulations and Well Done!

Student	Reg Group	Positive Points
Manders, Dexter	7L	38
Smith, Alisha	8P	37
Cawthorne, Jack	10C	35
Darbyshire, Logan	10C	35
Jones, Gethin	10L	35
Price, Jake	8P	35
Durham, Harvey	7L	31
Hill, Skyla	7L	32
Koziel, David	8W	31
Clegg, Poppy	8P	30
Davies, Evie	7L	29
Davies-Pryer, Jayden	8L	29
Downes, Lucy	10C	30
Mellor, Rhys-Darcy	7C	29
Richardson, Emily	7L	29
Bennett, Maddie	10C	28
Hilliard, Marcus	8L	27
Smith, Harry	7C	27
Corbett, Mia	8P	26
Evans, Thomas	7T	26
Lewis, Emily	7C	26
Price, William	7C	26

We are curious | We are resilient | We are respectful | We are supportive

9th May 2025

Dear Parent/Carer,

Through our science specialism, we are offering GCSE Astronomy as an extra-curricular option to the current Year 8 and 9 students. Your child has expressed an interest in studying astronomy so I would like to take this opportunity to explain the nature, demands and expectations of the course before any student formally signs up to the course.

The course starts on Wednesday 10th September 2025 and runs until May/June of 2027, depending on examination timetables. Lessons take place Wednesdays from 3:30 to 5:00pm, so students must be free and committed to attend all lessons. Lessons are like all lessons at Mary Webb School, where students will carry out various tasks to explore the wide-ranging concepts from the Edexcel GCSE Astronomy syllabus. Students will be expected to carry out written tasks as well as drawing diagrams and graphs, tabulating data and calculating astronomical quantities. For this, they are expected to bring their usual lesson equipment.

Students will be set a target for the course, usually in line with their GCSE Science (for core students) or GCSE Physics (for triple students) target. Astronomy fits with all the other Science qualifications so the exam board awards grades from 1 to 9. Students will be assessed against this target through their written work, in class testing and mock exams, to be reported on through our normal reporting procedures. The expectation is that students work towards their target in Astronomy as they would for any other examination course.

The exam board assess the students in two externally set examination papers at the end of the 2 year course. Each paper will take 1 hour 45 minutes and will contribute 50% of the overall grade. Students are expected to revise through structured homework and independently to prepare for these examinations, along with their other GCSE examinations.

Students will complete at least two observational projects; one project will be a naked-eye observation, the other using an astronomical instrument. Students can use their own telescopes or binoculars for this but there is no requirement for the students to own this equipment as we sign them up to use a remote robotic telescope. Observations and written work for these projects will be done in class and at home. This written work will not contribute towards the GCSE but students will be asked about their project work during the terminal examinations.

Students will be set homework for GCSE Astronomy; this will include written work, mathematical analyses, background reading, watching videos, examination preparation, revision and carrying out observational tasks at suitable times. A lot of this work will be in preparation for the next week's lesson so it is of vital importance that students organise their time effectively and keep up to date with their work.

We believe this is an exciting and engaging course for committed students with an enthusiasm for physical sciences and astronomy in particular. If your child wishes to do the course, please let me know by email, gward@marywebbschool.com by Wednesday 21st May 2025. After this date, we will be able to confirm if numbers are sufficient for the course to run.

Yours sincerely,

Dr. G Ward

Teacher of Science and Mathematics

Hello and welcome to the latest Family Information Service newsletter. It's May so that means it is our birthday. We have been supporting families for 25 years, a whole quarter of a century! Read our article below to find out what we have been up to in that time.

Don't forget we're here to help you. We cover everything and anything to do with family life, so if you have a question, chances are we'll be able to help, or if we can't, we'll point you in the direction of someone who can. Find us on [Facebook](#), [Instagram](#) or [X](#). Call 01743 254400 or email ShropshireFIS@shropshire.gov.uk

**Things to do
this half term**

Things to do this half term

We've got our fingers crossed that the nice weather continues during May half term, so we can get out and about with our families.

Did you know as well as posting about upcoming events and activities on our social media, we also have a whole directory jam packed with things to do. You can find out what is going on near you this half term here.

[Find out more](#)

Holiday clubs

Childcare and holiday clubs

The school holidays are almost here again. Is it me or is this year flying by?

If you are looking for childcare or holiday clubs to keep your kids busy, why not take a look at our Family Information Directory.

Whether they enjoy animal care, arts and crafts or sport, there is something for everyone!

[Find out more](#)

Splash Parks

Summer fun at the splash park

Make the most of this fantastic sunny weather and visit a splash park. Pack a picnic and some sunscreen and have a great low-cost day out with the kids.

You can find a list of free splash parks on our Family Information Directory

Walk this May

National Walking Month

May is national walking month. Walking is one of the easiest ways to improve our health and stay connected to our community, helping us feel less lonely and isolated. We've picked out some brilliant events and activities to help you #walkthismay

Telford Walk Week 2025

This exciting event runs from 26 May 2025 - 1 June 2025 and offers a range of guided walks exploring the stunning scenery of Telford. Whether you are a

seasoned hiker or a family looking for a fun day out, there is a walk to suit all abilities and interests. Highlights include pond dipping, nature scavenger hunts and a feed the ducks wobble walk, for families with young children.

[Find out more](#)

Blaze Trails

Blaze Trails is the UK's parent and baby walking community. They support parents to feel confident outdoors with over 80 parent and baby walking groups around the country.

Walking is brilliant for mental and physical health, but getting outdoors with a baby can feel daunting. Blaze will provide you with the walking buddies, support and inspiration you need to make that step out into nature achievable.

All the walks are free and organised by parents for parents.

[Find out more](#)

Shropshire Great Outdoors website

The Shropshire Great Outdoors website has loads of great ideas for family friendly walks and bike rides, including 12 family friendly walks that have been specifically developed with children in mind. Most of the routes are circular and vary in distance from 1 to 3 miles. They start from countryside sites that have parking and many of the routes are pushchair friendly.

[Find out more](#)

We are 25!

25 years of the Shropshire Family Information Service

The year was 2000. We had survived the millennium bug, Britney was top of the charts with 'Oops I did it again' and a ticket to see Gladiator or Castaway at the cinema cost £4.40. But the most important event in 2000 was obviously the creation of Shropshire Family Information Service!

Did you know over the last 25 years the team have responded to an astonishing 150,000 requests for information, and we are fast approaching 10,000 followers across our social media accounts!

We are a free to use service dedicated to serving all families in Shropshire, regardless of their circumstances. Providing you with the info you need to make informed decisions, access essential resources, and connect with local services.

No question is too small, so get in touch, we'd love to hear from you. You can email us at ShropshireFIS@Shropshire.gov.uk, use our [online family information request form](#) to request info on different topics of interest or message us through social media.

Family Foundations

Pregnant? Feel confident with Family Foundations

Having a baby is exciting, but it is also natural to feel a little nervous about how your life and relationships will change.

Family Foundations is a free, online group that can help you prepare and feel confident for the changes ahead.

The next group starts on Thursday 19 June 2025, 4pm-5.30pm and runs for four weeks. It is open to all Shropshire residents who are pregnant and their partners.

[Find out more](#)

Free farm visits

Open Farm Sunday

Shropshire has a proud history of farming, have you ever wondered how food gets from the field to your plate?

Sunday 8 June 2025 is Open Farm Sunday. Farms across the county will be

opening their doors so you can find out about the story behind our food and how farming affects our everyday lives.

Each event and farm is unique. Activities range from machinery displays, tractor and trailer rides, through to demonstrations, nature walks and much more! Visit the LEAF website to see which farms are open by you, or have a virtual farm visit instead:

[Find out more](#)

**Competition
time**

Calling all budding filmmakers

Do you know any young filmmakers aged 13-19 with a powerful story idea just waiting to be shared? Could their vision inspire others? If so, encourage them to enter Time to Inspire.

This exciting and educational competition aims to engage students and help them develop their creative skills and imaginations with the aim of designing a hand-drawn storyboard based on what inspires them - something unique to each young person.

The aim is simple: submit a storyboard for a short film (live action - no animations please - and with a max length of 2 minutes 30 seconds) and Into Film will support one winning entry to bring their inspirational storyboard to life as a completed film.

Entries can be created by groups of up to 6 people, or by individuals. (**Note:** individuals will need to recruit friends to assist with the filmmaking process should their entry be chosen as the winner).

Entrants have until Monday 28 July 2025 (for postal entries) or midday on Wednesday 30 July (for email entries) to submit their storyboards.

[Find out more](#)

**HELP US
FIND THE BEST**

Voluntary work opportunity for young people aged 14+

Shropshire Early Help are looking for young people who are interested in taking part in the recruitment of those people who provide support to children, young people and families. You will:

- design interview questions,
- sit on our interview panels, or
- meet candidates in a more informal setting and give feedback about them.

Every family at some point in their lives needs a little bit of extra help and support. Being involved in this recruitment process means you can have a real say and a real impact on the people that will support you and your loved ones, and the way these services are delivered.

Training will take place at the Guildhall, Shrewsbury on **Tuesday 27 May 2025, 1.45pm - 4.30pm.**

If you are interested in taking part, please contact Becky.Wells@shropshire.gov.uk or tel: **07811 971998**.

Main Show Sponsor

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please take a look at our '**Enrichment & Enhancement**' Programme timetable below. You can also find our up to date activities on the schools website – www.marywebbschool.com/extra-curricular/

Contact Miss Bailey, who co-ordinates the E&E Programme on ebailey@marywebbschool.com

**SHREWSBURY
COLLEGES GROUP**

We're excited to announce two fantastic opportunities for students aged 13-18 to explore career options and gain valuable insights into their future paths.

Career Choices Day – Free Webinar!

Are you feeling uncertain about which career path to take? Or perhaps you have many ideas but aren't sure how to choose the right one? We're hosting a free online event called Career Choices Day on Sunday, 6th April, specifically designed for students who may feel unsure about their career direction.

During this session, students will receive practical advice on how to identify career options that match their interests and strengths. The goal is to help them understand that it's okay to not have it all figured out yet and to provide them with the tools to explore their options with confidence. Just visit www.careerdays.co.uk/career-choices-day to register.

Career Days – Online Events for Students

There are also new dates for our online Career Days, which provide students with the chance to learn about different careers, receive advice on subject choices, and discover how to apply to university. Each session includes work experience in the afternoon, allowing students to get a feel for the day-to-day aspects of their chosen career. At the end of the day, students will receive a certificate confirming their work experience.

The upcoming Career Days are as follows:

Medicine Career Day - Saturday 22nd March 2025
Dentistry Career Day - Sunday 23rd March 2025
Midwifery Career Day - Saturday 5th April 2025
Psychology Career Day - Saturday 19th April 2025
Architect Career Day - Saturday 26th April 2025
Law Career Day - Saturday 3rd May 2025
Vet Career Day - Saturday 10th May 2025
Business Career Day - Saturday 12th May 2025
Engineering & Technology Career Day - Saturday 24th May 2025
Computer Science Career Day - Saturday 31st May 2025
Performing Arts Career Day - Sunday 26th October 2025

Students aged 13-18 can register for any of the above sessions by visiting www.careerdays.co.uk/career-choices-day.

This free app could be the careers inspiration your creative young person needs. It might not be 100% relevant for post 16, but there is definitely some nutritious food for "thought":

[ERIC | Creative Career App](#)

WE'VE FOUND ALL THE OPPORTUNITIES YOU'RE

STRUGGLING TO FIND.

Spending too much time looking for internships, entry-level jobs, training programmes, networking events, mentoring schemes, etc? You don't need to do that anymore. We've done all the searching for you.

Our team scouts the internet every day and collects all the stuff scattered across the web that can help you build skills, experience and confidence... and we put it all on the ERIC app.

So all you need to do is open the app every day and browse the new opportunities we've found.

Learn about the which creative industries we cover [here](#).

Careers @ MWS

Careers Appointments

The focus for careers appointments in the Autumn term are our year 11s who are busy thinking about their next steps at the end of year 11. All year 11 pupils will be allocated a slot for a 121 appointment over the next few months. If any year 11 is particularly worried about choices, they can request an early appointment via form tutors.

We have developed the 'Careers @ MWS' area of our school website so that it is now a great source of information to help students and parents learn more about careers. On the website you will find links to careers quizzes, careers videos, labour market information (how much do different jobs pay and are they growing or shrinking?), and much more. Please take a look here: <https://marywebbschool.com/careers/>

We also use an interactive **careers platform** in called 'Xello' This short video tells you more about Xello and how it can help students to think about the future. <https://www.youtube.com/watch?v=NS5l4EwCZ0A> If you want to see Xello in action then please do ask your child to show you their account.

NEW for this year – **within the Xello programme there is a 'links and resources' section. We are trying to add any** useful resources and documents for each year group into this page so students should check it regularly.

Some web resources to inspire – please also check the school website for useful links:

(To include 2 pens, 3 pencils, 1 red pen, rubber, protractor, ruler and highlighter)

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the '**Revision** Guides and **Workbook**' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
