## Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email [attendance@marywebbschool.com](mailto:attendance@marywebbschool.com) or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

**The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer**

## MEDICATION FOR STUDENTS

**Please remember** if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

### **Students are not permitted to carry medication.**

The only exceptions are inhalers and epipens, for which we hold consent forms.

**Please note without your permission we cannot administer your child's medication.**

### Mary Webb School Role of Honour

The following students have achieved above the expected number of house points this week. Congratulations and Well Done!

Student Name	Reg Group	Positive Points
Smith, Alisha	8P	24
Corbett, Mia	8P	23
McFall, Joseph	8P	22
Norlander, Isobel	8L	22
Williams, Florence	8P	22
Cooke, Daniel	11L	21
Clegg, Poppy	8P	21
Harris, Jacob	7W	20
Davies, Harry	11L	19
Hurkina, Karina	9L	19
Shaw, Isobel	8L	19
Hilliard, Marcus	8L	18
Shaw, Eleanor	8L	18
Simmonds, Libby	9C	18
Vernalls-Pritchard, Evie	8C	18
Campbell-Curtis, Guy	11L	17
Edwards, Thomas	7L	17
France, Jorja	9L	17
Keever, Isobel	8C	17
Lakelin-Davies, Isaac	7P	18
Morris, Willow	8L	17
Price, Jake	8P	17
Challinor, Annabelle	10C	16
May, Alexander	8C	16
Plomer, Archie	7C	16
Powell, Nyla	8P	16
Wakenshaw, Tyler	8P	16

We are curious | We are resilient | We are respectful | We are supportive

9<sup>th</sup> May 2025

Dear Parent/Carer,

Through our science specialism, we are offering GCSE Astronomy as an extra-curricular option to the current Year 8 and 9 students. Your child has expressed an interest in studying astronomy so I would like to take this opportunity to explain the nature, demands and expectations of the course before any student formally signs up to the course.

The course starts on Wednesday 10<sup>th</sup> September 2025 and runs until May/June of 2027, depending on examination timetables. Lessons take place Wednesdays from 3:30 to 5:00pm, so students must be free and committed to attend all lessons. Lessons are like all lessons at Mary Webb School, where students will carry out various tasks to explore the wide-ranging concepts from the Edexcel GCSE Astronomy syllabus. Students will be expected to carry out written tasks as well as drawing diagrams and graphs, tabulating data and calculating astronomical quantities. For this, they are expected to bring their usual lesson equipment.

Students will be set a target for the course, usually in line with their GCSE Science (for core students) or GCSE Physics (for triple students) target. Astronomy fits with all the other Science qualifications so the exam board awards grades from 1 to 9. Students will be assessed against this target through their written work, in class testing and mock exams, to be reported on through our normal reporting procedures. The expectation is that students work towards their target in Astronomy as they would for any other examination course.

The exam board assess the students in two externally set examination papers at the end of the 2 year course. Each paper will take 1 hour 45 minutes and will contribute 50% of the overall grade. Students are expected to revise through structured homework and independently to prepare for these examinations, along with their other GCSE examinations.

Students will complete at least two observational projects; one project will be a naked-eye observation, the other using an astronomical instrument. Students can use their own telescopes or binoculars for this but there is no requirement for the students to own this equipment as we sign them up to use a remote robotic telescope. Observations and written work for these projects will be done in class and at home. This written work will not contribute towards the GCSE but students will be asked about their project work during the terminal examinations.

Students will be set homework for GCSE Astronomy; this will include written work, mathematical analyses, background reading, watching videos, examination preparation, revision and carrying out observational tasks at suitable times. A lot of this work will be in preparation for the next week's lesson so it is of vital importance that students organise their time effectively and keep up to date with their work.

We believe this is an exciting and engaging course for committed students with an enthusiasm for physical sciences and astronomy in particular. If your child wishes to do the course, please let me know by email, [gward@marywebbschool.com](mailto:gward@marywebbschool.com) by Wednesday 21<sup>st</sup> May 2025. After this date, we will be able to confirm if numbers are sufficient for the course to run.

Yours sincerely,

Dr. G Ward

Teacher of Science and Mathematics

Main Show Sponsor

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities and clubs that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please take a look at our **'Enrichment & Enhancement'** Programme timetable below. You can also find our up to date activities on the schools website – [www.marywebbschool.com/extra-curricular/](http://www.marywebbschool.com/extra-curricular/)

Contact Miss Bailey, who co-ordinates the E&E Programme on [ebailey@marywebbschool.com](mailto:ebailey@marywebbschool.com)

## Future Career and Education

The link below takes you to a website which offers information to support you in talking about future career and education plans with your child.

It has information about pathways available, conversation starters and resources to support you and your child when making decisions about their future.

[Parents Advice for Career Conversations - Talking Futures](#)

We're excited to announce two fantastic opportunities for students aged 13-18 to explore career options and gain valuable insights into their future paths.

### **Career Choices Day – Free Webinar!**

Are you feeling uncertain about which career path to take? Or perhaps you have many ideas but aren't sure how to choose the right one? We're hosting a free online event called Career Choices Day on Sunday, 6th April, specifically designed for students who may feel unsure about their career direction.

During this session, students will receive practical advice on how to identify career options that match their interests and strengths. The goal is to help them understand that it's okay to not have it all figured out yet and to provide them with the tools to explore their options with confidence. Just visit [www.careerdays.co.uk/career-choices-day](http://www.careerdays.co.uk/career-choices-day) to register.

### **Career Days – Online Events for Students**

There are also new dates for our online Career Days, which provide students with the chance to learn about different careers, receive advice on subject choices, and discover how to apply to university. Each session includes work experience in the afternoon, allowing students to get a feel for the day-to-day aspects of their chosen career. At the end of the day, students will receive a certificate confirming their work experience.

The upcoming Career Days are as follows:

Medicine Career Day - Saturday 22nd March 2025  
Dentistry Career Day - Sunday 23rd March 2025  
Midwifery Career Day - Saturday 5th April 2025  
Psychology Career Day - Saturday 19th April 2025  
Architect Career Day - Saturday 26th April 2025  
Law Career Day - Saturday 3rd May 2025  
Vet Career Day - Saturday 10th May 2025  
Business Career Day - Saturday 12th May 2025  
Engineering & Technology Career Day - Saturday 24th May 2025  
Computer Science Career Day - Saturday 31st May 2025  
Performing Arts Career Day - Sunday 26th October 2025

Students aged 13-18 can register for any of the above sessions by visiting [www.careerdays.co.uk/career-choices-day](http://www.careerdays.co.uk/career-choices-day).

# Careers @ MWS

## Careers Appointments

The focus for careers appointments in the Autumn term are our year 11s who are busy thinking about their next steps at the end of year 11. All year 11 pupils will be allocated a slot for a 121 appointment over the next few months. If any year 11 is particularly worried about choices, they can request an early appointment via form tutors.

**We have developed the 'Careers @ MWS' area of our school website so that it is now a great source of information** to help students and parents learn more about careers. On the website you will find links to careers quizzes, careers videos, labour market information (how much do different jobs pay and are they growing or shrinking?), and much more. Please take a look here: <https://marywebbschool.com/careers/>

We also use an interactive **careers platform** in called 'Xello' This short video tells you more about Xello and how it can help students to think about the future. <https://www.youtube.com/watch?v=NS5l4EwCZ0A> If you want to see Xello in action then please do ask your child to show you their account.

**NEW** for this year – **within the Xello programme there is a 'links and resources' section. We are trying to add any** useful resources and documents for each year group into this page so students should check it regularly.

Some web resources to inspire – please also check the school website for useful links:

# School Shop

Biro	20p
Handwriting Pen	30p
Pencil	10p
Record Cards	95p
Protractor	20p
Rubber	20p
Ruler	20p
Highlighter	65p
Post it Notes – Small	25p
Post it Notes – Large	45p
Dictionary	£5.50
Calculator	£7
Pencil Case (empty)	£1
Pencil Case Full	£3

*(To include 2 pens, 3 pencils, 1 red pen, rubber, protractor, ruler and highlighter)*

## Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

### Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the '**Revision** Guides and **Workbook**' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
