K: Referees

Please provide details of **two people** to whom a reference request may be made. If you are currently employed, the first referee should be your current employer. We would expect this to be the Headteacher (or equivalent person) if you are currently working in a school.

If you are not currently working with children but have done so previously, please provide the details of a referee relating to your most recent employment involving work with children.

References will not be accepted from relatives or from people writing solely in the capacity as friends.

In compliance with the General Data Protection Regulation (GDPR), please be aware of the data we will collect and process when requesting your references.

Reference requests sent to your referees will ask the referee to confirm, as a minimum:

- the referee's relationship with the candidate
- details of the applicant's current post and salary
- performance history whilst in post
- all formal, time-limited capability warnings which have not passed the expiration date
- all formal, time-limited disciplinary warnings not relating to safeguarding concerns which have not passed the expiration date
- all disciplinary action which relates to safeguarding concerns, even where the sanction is "time expired"
- details of any concerns relating to safeguarding and child protection, and where applicable, the outcome of any relevant investigation or enquiries
- whether the referee has any reservations as to the candidate's suitability to work with children. If so, the school will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children

In line with the statutory guidance set out in Keeping Children Safe in Education, it is normal practice to take up references on shortlisted candidates prior to interview.

The Trust will observe a request not to approach a current employer at this stage in the recruitment process, on the basis that, in any event, satisfactory references will be sought and confirmed as part of a conditional offer of employment.

A: Regulated Activity and the Declaration of Convictions, Cautions etc

Under the Criminal Justice & Courts Services Act 2000, it is an offence for an individual who has been disqualified from working with children to knowingly apply for, offer to do, accept, or do any work defined as 'regulated activity'.

The position you are applying for is "regulated activity" and as such is subject to an Enhanced DBS check with children's barred list information.

Criminal records, where disclosed by the DBS, will be assessed pragmatically and on an individual basis by the Trust school in conjunction with our HR provider. Any decision not to appoint somebody because of their conviction(s) is made in line with the Trust's policy on the recruitment of ex-offenders.

In accordance with Keeping Children Safe in Education 2021, all shortlisted applicants are required to disclose details of:

- any previous 'unspent' criminal convictions
- any cautions which have not expired
- any bind-overs, warnings or reprimands
- any pending prosecutions

As the post you are applying for is exempt from the provisions of the Rehabilitation of Offenders Act 1974 (exceptions order 1975), you are required to disclose all spent convictions and cautions, except those which are 'protected' under Police Act 1997 – Part V and the amendments to the Exceptions Order 1975 (2013).

Protected data is not subject to disclosure to employers on a DBS certificate and so cannot be considered when making a recruitment decision.

Guidance on the filtering of "protected" cautions and convictions which do not need to be disclosed by a job applicant can be found on the Disclosure and Barring Service website.

If you are invited to attend for interview, you will be required to disclose your criminal record on a **Self-Disclosure Declaration Form** issued by the Trust school.

Any information provided through this process will be treated in strictest confidence.

The **Self-Disclosure Declaration Form** must be completed and returned in advance of the interview to enable the interview panel to review the information, so that it can be discussed and considered at interview and before a DBS certificate is received.

Disclosure of a conviction, caution, bind-over order, warning or reprimand will not automatically disqualify you from consideration for appointment. An offence will only be taken into consideration if it would make you unsuitable for the type of work you are applying for.

B: Prohibitions & Childcare Disqualifications

Teacher prohibition and interim prohibition orders prevent a person from carrying out teaching work as defined in the Teachers' Disciplinary (England) Regulations 2012 in schools and other settings.

In accordance with the requirements of The School Staffing (England) (Amendment) Regulations 2013, any future appointment is subject to a check with the Department for Education to ensure that an individual is not subject to a prohibition order or an interim prohibition order.

The Teachers' Disciplinary (England) Regulations 2012 apply to schools and sixth form colleges and any person that is subject to a prohibition order is prohibited from carrying out teaching work in those establishments.

All shortlisted applicants invited to interview are required to state that they are not subject to a prohibition order or an interim prohibition order.

Checking that an individual is not subject to disqualification under the Childcare Disqualification Regulations 2018 is an additional requirement to the general child safeguarding arrangements provided under the Disclosure and Barring Service (DBS).

Relevant checks will be carried out for individuals appointed to work with children aged 5 and under, including reception classes, and staff appointed to work in wraparound care for children up to the age of 8, such as breakfast clubs and after school care.

Individuals appointed to a management position within the Trust must not be subject to a section 128 direction made by the Secretary of State. Relevant checks are made as a conditional element of an offer of employment.

C: Checks on Identity, Right to Work in the UK & Medical Questionnaires

All offers of appointment are conditional until satisfactory completion of mandatory pre-employment checks, to include the verification of identity and the right to work in the UK.

In line with the statutory guidance set out in Keeping Children Safe in Education 2021, in order to prove your identity, you will be asked to present your birth certificate, where this is available.

The right to work in the UK will be established in line with government guidelines, and before the offer of employment can be confirmed. Further guidance is available via the government website.

Should a conditional offer of employment be made, a pre-employment medical questionnaire will be issued, and the preferred candidate may be required to undergo a medical examination.

D: Data Protection

The personal information collected in **Part 1** and **Part 2** of the application form will be processed in compliance with the GDPR and associated Data Protection regulations.

In completing and submitting the application form, you give your consent for the information provided to be processed as part of the recruitment and selection process administered by the school. If appointed, you give your additional consent to the information being processed for employment purposes, as defined in legislation.

The information you provide may be disclosed, as appropriate, Trustees, local governing body, the Trust's appointed Occupational Health service provider, the Teachers Pensions Agency, the Department for Education, the Trust's payroll and HR providers and any other relevant statutory body or agency.

All completed application forms for appointed candidates form the basis of the contract of employment and will be processed and stored in strictest confidence and accessed only by those entitled to see the information for the purposes of employment.

Application forms for unsuccessful applicants will be stored securely for a maximum of six months, after which time they will be confidentially destroyed.

E: Declaration of Conflict & Canvassing

To ensure fairness and transparency throughout the recruitment process, applicants are required to state any relationship with or to a member of staff, a governor of the school or anyone employed or engaged by TrustEd CSAT Alliance in a position of responsibility and trust.

Canvassing, directly or indirectly, an employee, school governor of trustee of TrustEd Schools will disqualify the application.

F: Equal Opportunities & Recruitment Monitoring

The Equality Act 2010 places a general duty on TrustEd Schools and its schools to promote equality. It is a matter of policy and practice that no person, whether a job applicant, employee, service user or third party receives any less favourable treatment because of their gender, marital status, family status, lifestyle, age, ethnicity, religion, sexual orientation, disability, political affiliation, trade union membership or any other condition or requirement which cannot be shown to be justifiable.

Collection of equality information is solely for monitoring purposes to ensure that our policies and procedures are effective. We also collect this data in accordance with the general and specific public sector equality duties under the Equality Act 2010.

Any data you enter onto this monitoring form will be used for monitoring purposes, only, and will not be used in assessing and or scoring your application or during the interview process.

This page will be separated from **part 1** and **part 2** and processed in accordance with the General Data Protection Regulation 2018 (GDPR), as outlined in section D.
