Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

PLAYERS NEEDED SAHA U15 LYNX

We are looking for players
from school year 9 or 10.
No previous team experience
required.

**IF YOUR DAUGHTER IS INTERESTED
PLEASE COME ALONG TO A SESSION
CONTACT JASON ON 07950 329339
OR EMAIL GIRLS.SAH AFC@GMAIL.COM**

We are delighted to announce that the school has achieved the Gold STEM club quality mark. This is in recognition of the exceptional provision our school offers to young people by enriching the STEM curriculum. In addition to our usual STEAM day activities and the STEAM awards celebrations, 2024-25 saw the school triumph as winners in:

- The Shrewsbury sixth form STEM challenge
- West Midlands First tech robot challenge
- Faraday challenge
- Best design in the RAF glider competition
- Second place in the finals of the STEM challenge taking place at Manchester University.

We have also had 5 students from Year 10 accepted onto the STEM potential program at Shrewsbury School in conjunction with Imperial College London, this is in addition to the 4 students from Year 11 who are already enrolled.

Congratulations to all students who have been involved with extra-curricular STEAM activities as your enthusiasm and hard work have helped the school achieve the award. Also, a massive thank you to all staff involved with STEAM provision at the school.

Mrs Jones Director of STEAM & Subject Leader of Science

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities, clubs and subject support sessions that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please find all the information for our **'Enrichment & Enhancement'** Programme on our website – www.marywebbschool.com/extra-curricular/

For any queries, please contact Miss Bailey, who co-ordinates the E&E Programme on eve.bailey@marywebbschool.com

ARCHERY?!

It's a great sport – both indoors and outdoors.

Did you know there is a Mary Webb School Archery Club?

We meet every Friday after school. First meeting on Friday 19th Sept. Until the October half term we will be outdoors behind the school – later on we meet inside the sports hall.

The club has been going for about 15 years and we have experienced coaches who come in from outside school every week. Some ex Mary Webb Archers have gone on to shoot at County and National level. It could be you!

Some of our members have recently left Mary Webb so we have space for new Archers! All welcome..... No previous experience necessary.

The cost for the whole year is £20 – all equipment will be provided.

Some and see us on Friday 20th – no payment needed for a one off taster session. If you do come to the club for the first time please have your parents email address and mobile phone number available so we can make contact and get permission for you to join the club.

We start straight after school and finish at 4.30. Unless it is agreed otherwise, parents must come to collect their children from school at or before 4.30pm.

Any questions?

Get your parents to phone Jonathan Walton on 07970 702084.

Or email; jonathan@the-waltons.co.uk

We're excited to announce two fantastic opportunities for students aged 13-18 to explore career options and gain valuable insights into their future paths.

Career Choices Day – Free Webinar!

Are you feeling uncertain about which career path to take? Or perhaps you have many ideas but aren't sure how to choose the right one? We're hosting a free online event called Career Choices Day on Sunday, 6th April, specifically designed for students who may feel unsure about their career direction.

During this session, students will receive practical advice on how to identify career options that match their interests and strengths. The goal is to help them understand that it's okay to not have it all figured out yet and to provide them with the tools to explore their options with confidence. Just visit www.careerdays.co.uk/career-choices-day to register.

Career Days – Online Events for Students

There are also new dates for our online Career Days, which provide students with the chance to learn about different careers, receive advice on subject choices, and discover how to apply to university. Each session includes work experience in the afternoon, allowing students to get a feel for the day-to-day aspects of their chosen career. At the end of the day, students will receive a certificate confirming their work experience.

The upcoming Career Days are as follows:

Medicine Career Day - Saturday 22nd March 2025
Dentistry Career Day - Sunday 23rd March 2025
Midwifery Career Day - Saturday 5th April 2025
Psychology Career Day - Saturday 19th April 2025
Architect Career Day - Saturday 26th April 2025
Law Career Day - Saturday 3rd May 2025
Vet Career Day - Saturday 10th May 2025
Business Career Day - Saturday 12th May 2025
Engineering & Technology Career Day - Saturday 24th May 2025
Computer Science Career Day - Saturday 31st May 2025
Performing Arts Career Day - Sunday 26th October 2025

Students aged 13-18 can register for any of the above sessions by visiting www.careerdays.co.uk/career-choices-day.

This free app could be the careers inspiration your creative young person needs. It might not be 100% relevant for post 16, but there is definitely some nutritious food for "thought":

[ERIC | Creative Career App](#)

WE'VE FOUND ALL THE OPPORTUNITIES YOU'RE STRUGGLING TO FIND.

Spending too much time looking for internships, entry-level jobs, training programmes, networking events, mentoring schemes, etc?

You don't need to do that anymore. We've done all the searching for you.

Our team scouts the internet every day and collects all the stuff scattered across the web that can help you build skills, experience and confidence... and we put it all on the ERIC app.

So all you need to do is open the app every day and browse the new opportunities we've found.

Learn about the which creative industries we cover [here](#).

School Shop

Biro	20p
Handwriting Pen	30p
Pencil	10p
Record Cards	95p
Protractor	20p
Rubber	20p
Ruler	20p
Highlighter	65p
Post it Notes – Small	25p
Post it Notes – Large	45p
Dictionary	£5.50
Calculator	£7
Pencil Case (empty)	£1
Pencil Case Full	£3

(To include 2 pens, 3 pencils, 1 red pen, rubber, protractor, ruler and highlighter)

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the 'Revision Guides and Workbook' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
