Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

Rea Valley Foodbank's Service Referrals

Please do help us. We know that there are local people out there who could benefit from our service, so please do encourage them and refer them on to us as we can help with some of the basics of a weekly shop. We can help those in financial need in an emergency or ongoing basis. We have a simple referral form for you to use on our website [Getting A Referral | Rea Valley Food Bank](#) We are friendly and non-judgmental and Foodbank users, and their carers, are welcome to stay for a coffee and chat if they wish.

Rea Valley Foodbank is open Tuesday 10am-12pm at Holy Trinity Church, Minsterley and Thursdays at St George's Church, Pontesbury.

If you have any queries about our service, please contact Rev. Greg Smith on 07902 794653
email: reavalleyfoodbank@gmail.com

Give Rugby a Try!

Ages 5-18
All players
Welcome

Why?

Build Character Rugby grows respect, teamwork, and confidence – skills for life, on and off the pitch.

Safe. Supportive. Fun. Qualified coaches, age-appropriate training, and smiles all round. Every child develops at their own pace.

Friends for Life Join a club where rugby builds bonds that last long after the final whistle.

Fitness Made Fun No boring drills – just games, laughter, and great exercise disguised as play.

More Than Rugby Tours, socials, and club events – memories made on and off the field.

Give It a Try! No experience needed. Bring enthusiasm – we'll do the rest.

When?

Sunday AM Boys (u6-u16) Girls (u6-u11)

Sunday PM Girls (U12-U16)

Midweek varies by age group

An update on

WELLBEING FOR EVERY SCHOOL PARENT

Your NHS learning space created by psychologists

October 2025

As the new term is now well and truly underway, we're delighted to share some helpful resources for parents experiencing all the big emotions of growing children.

Togetherness is the new face of **inourplace**, the NHS emotional health digital learning hub funded in your area to provide your family with **free access** to expert learning about childhood development, wellbeing, brain changes, and much more to help you to connect with your children and make sure they thrive.

Here's a quick round up of what we think is great on Togetherness for this half term.

The parent pathway to better relationships and behaviour

Understanding your child: from toddler to teenager

Online learning journey to empower your parenting anytime, anywhere

Food Technology Plea- Can you help us?

We kindly welcome donations of the following containers and lids to support our pupils in Food Technology lessons.

Sweet and chocolate tubes such as Heroes, Haribo and Celebrations.

GU dessert pots and pringle tube lids.

Charlie Bigham ramekins

Instead of placing these items in your home recycling bin, please consider donating them to school and give them a second life. Your contributions will help pupils safely store and transport culinary creations home. Pupils can drop donations off at Food Technology.

Many Thanks
Mrs Harrison

Food Technology Update

It has been fantastic to see Key Stage 3 and 4 pupils busy creating delicious dishes in Food Technology over the last couple of weeks.

A couple of friendly reminders to help keep things running smoothly:

- Please ensure all pupil jumpers are clearly named. Pupils remove jumpers before cooking, and this will help us return any misplaced jumpers quickly.
- Please ensure all containers are labelled. Pupils should bring a container with their name on it to safely take home their culinary creation each lesson.

Finally, a reminder to pupils to ensure they collect their creations at the end of the school day. Any leftover creations will be kept until the end of Friday only.

Thank you for your continued support and hope you have enjoyed the creations coming home. There will be no cooking the week before half term to allow cleaning of the food room.

Many Thanks
Mrs Harrison

We are delighted to announce that the school has achieved the Gold STEM club quality mark. This is in recognition of the exceptional provision our school offers to young people by enriching the STEM curriculum. In addition to our usual STEAM day activities and the STEAM awards celebrations, 2024-25 saw the school triumph as winners in:

- The Shrewsbury sixth form STEM challenge
- West Midlands First tech robot challenge
- Faraday challenge
- Best design in the RAF glider competition
- Second place in the finals of the STEM challenge taking place at Manchester University.

We have also had 5 students from Year 10 accepted onto the STEM potential program at Shrewsbury School in conjunction with Imperial College London, this is in addition to the 4 students from Year 11 who are already enrolled.

Congratulations to all students who have been involved with extra-curricular STEAM activities as your enthusiasm and hard work have helped the school achieve the award. Also, a massive thank you to all staff involved with STEAM provision at the school.

Mrs Jones Director of STEAM & Subject Leader of Science

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities, clubs and subject support sessions that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please find all the information for our '**Enrichment & Enhancement**' Programme on our website – www.marywebbschool.com/extra-curricular/

For any queries, please contact Miss Bailey, who co-ordinates the E&E Programme on eve.bailey@marywebbschool.com

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the 'Revision Guides and Workbook' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
