Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

Rea Valley Foodbank's Service Referrals

Please do help us. We know that there are local people out there who could benefit from our service, so please do encourage them and refer them on to us as we can help with some of the basics of a weekly shop. We can help those in financial need in an emergency or ongoing basis. We have a simple referral form for you to use on our website [Getting A Referral | Rea Valley Food Bank](#) We are friendly and non-judgmental and Foodbank users, and their carers, are welcome to stay for a coffee and chat if they wish.

Rea Valley Foodbank is open Tuesday 10am-12pm at Holy Trinity Church, Minsterley and Thursdays at St George's Church, Pontesbury.

If you have any queries about our service, please contact Rev. Greg Smith on 07902 794653
email: reavalleyfoodbank@gmail.com

Food Technology Plea- Can you help us?

We kindly welcome donations of the following containers and lids to support our pupils in Food Technology lessons.

Sweet and chocolate tubes such as Heroes, Haribo and celebrations.

GU dessert pots and pringle tube lids.

Charlie Bigham ramekins

Instead of placing these items in your home recycling bin, please consider donating them to school and give them a second life. Your contributions will help pupils safely store and transport culinary creations home. Pupils can drop donations off at Food Technology.

Many Thanks
Mrs Harrison

Give Rugby a Try!

Ages 5-18
All players
Welcome

Why?
Build Character Rugby grows respect, teamwork, and confidence – skills for life, on and off the pitch.

Safe. Supportive. Fun. Qualified coaches, age-appropriate training, and smiles all round. Every child develops at their own pace.

Friends for Life Join a club where rugby builds bonds that last long after the final whistle.

Fitness Made Fun No boring drills – just games, laughter, and great exercise disguised as play.

More Than Rugby Tours, socials, and club events – memories made on and off the field.

Give It a Try! No experience needed. Bring enthusiasm – we'll do the rest.

When?

Sunday AM Boys (u6-u16) Girls (u6-u11)

Sunday PM Girls (U12-U16)

Midweek varies by age group

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities, clubs and subject support sessions that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please find all the information for our **'Enrichment & Enhancement'** Programme on our website – www.marywebbschool.com/extra-curricular/

For any queries, please contact Miss Bailey, who co-ordinates the E&E Programme on eve.bailey@marywebbschool.com

Y10 Satellite Engineers wanted!

UK SPACE AGENCY

Are you interested in programming computers to collect real-world data?

Do you want to collect data about our Earth environment from satellites?

Would you like to design the hardware to explore other planets?

Do you want your project launched in a rocket and beaming its data via radio back to you at Mission Control?

If the answer is "YES", what are you waiting for?

We need a team of 6 designers and engineers (3 boys, 3 girls) to enter the European Space Agency-sponsored CANSAT competition. If you're interested and committed to working with a team on a 6-month project, sign up to **Mr Jones' CANSAT club on Thursday lunchtime in Mrs. Pound's room, C1.**

Don't delay - the sky's the limit!

KS3 Code Club. Monday lunchtimes in C1 with Mr. Jones

Can you imagine a future without computers? Neither can we.

Programmers are the wizards of the future.

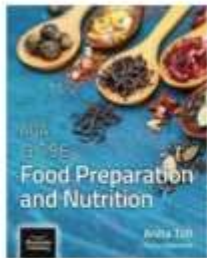

Come and learn to program computers to do your bidding.

Robots, radio, satellites, games, websites. artificial intelligence. What's not to like?

Numbers restricted to first 12 people.

Code is poetry. Get creative with code.

WE'VE FOUND ALL THE OPPORTUNITIES YOU'RE STRUGGLING TO FIND.

Spending too much time looking for internships, entry-level jobs, training programmes, networking events, mentoring schemes, etc?

You don't need to do that anymore. We've done all the searching for you.

Our team scouts the internet every day and collects all the stuff scattered across the web that can help you build skills, experience and confidence... and we put it all on the ERIC app.

So all you need to do is open the app every day and browse the new opportunities we've found.

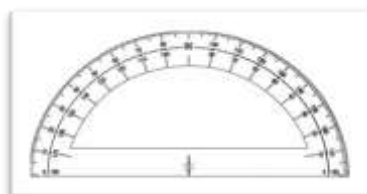

Learn about the which creative industries we cover [here](#).

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the 'Revision Guides and Workbook' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
