Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

Local Author's Visit

Liz delivered an exciting session on creating a TV series worthy of being shown on Netflix!

Students were engaged and creative and all went home with a signed copy of Liz's book.

We were delighted to be contacted by Young Writers last week who gave us the news that many of our KS3 students are having their poetry published in their 2026 anthology 'I Have a Dream.' Winning students have brought home a letter that needs to be actioned by 8th December in order to give permission for your child's poem to be published.

Well done to all of those students selected!

HAF—Winter Holiday Fun and Food in Shropshire

We are excited to share details about the **Holiday Activities and Food (HAF) Programme**, which offers **fun activities and healthy meals** for children and young people during the school holidays.

Free and Paid Places Available

- **Free places** are available for children and young people who are **in receipt of benefits-related Free School Meals (FSM)** - you will receive a **unique booking code** in a separate email if you are eligible.
- **Paid places** are also available for children and young people who are **not eligible for HAF**. These paid places are generally **heavily subsidised** and have been highlighted in the **What's On Guide** (sent via Parentmail).

SEND Opportunities - HAF providers are running holiday clubs with places available for **children and young people with Special Educational Needs and Disabilities (SEND)**. These places are at settings offering **mainstream programmes** alongside a range of children and young people. These SEND-friendly opportunities have been highlighted in the **What's On Guide** (sent via Parentmail).

Important information before booking a place for a child with SEND:

- Please **contact providers directly** before booking to discuss your child's needs and ensure the activity is suitable.
- Currently, the HAF programme is **unable to fund 1:1 support**. Any child requiring 1:1 support must have this funding and support in place before attending.

How to book:

- All bookings are made **directly with the organisations running the clubs**.
- Families eligible for HAF will need their **HAF code** when booking (sent via Parentmail). The What's On Guide also includes links to additional SEND resources and services. You can also view the guide and a searchable holiday club listing online:

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities, clubs and subject support sessions that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please find all the information for our **'Enrichment & Enhancement'** Programme on our website – www.marywebbschool.com/extra-curricular/

For any queries, please contact Miss Bailey, who co-ordinates the E&E Programme on eve.bailey@marywebbschool.com
