Any School Absence

We have now set up an email account which is dedicated to attendance.

If your child is absent from school please email attendance@marywebbschool.com or telephone the absence line on 792100 option 1 **by 8.30am on each day of their absence.**

The absence email is also to be used to report any appointments throughout the day. Your child will be marked as unauthorised if we do not have a reason for their absence. Any unauthorised absence will be referred to the Education Welfare Officer

MEDICATION FOR STUDENTS

Please remember if you are sending medication into school for a student, it must be accompanied by an 'Administration of Medicine' consent form. This form is available to download from our website under 'Letters and Downloadable Forms', or can be collected from the School Office.

All medication must be in the original container and have the student's name on the prescription label. Medication must be handed into Reception where it will be stored safely.

Students are not permitted to carry medication.

The only exceptions are inhalers and epipens, for which we hold consent forms.

Please note without your permission we cannot administer your child's medication.

SCHOOL EMERGENCY CLOSURE CONSENT FORM

There may be occasions, for example in bad weather, when the school needs to close early. If this happens we will notify parents by email and text message, and school transport will be arranged to collect students at the earlier time. All children will need to leave site by the normal way they come to school. Children cannot get on buses they do not travel on. We ask that parents/carers do not ring or email the school to change the method in which children will be going home. Please provide consent using the link below, if you have not already done so:

Celebrating Student Sporting Achievements

Sporting Focus on.....

At Mary Webb School, we take great pride in recognising the dedication and success of our students beyond the classroom. Many of our students participate in sports at an exceptionally high level, and we believe these achievements deserve to be celebrated within our school community.

If your son or daughter competes in a sport at **a level beyond school and club representation**, we would be delighted to share their accomplishments in our newsletter. Please contact **Mr. White** at **Dave.White@marywebbschool.com** with the relevant details, including the sport, level of competition, and any recent achievements.

Welcome to the Mary Webb 'Enrichment & Enhancement' (E&E) programme. Here you can find information about our extra-curricular activities, clubs and subject support sessions that take place at Mary Webb School.

The purpose of the E&E programme is to offer students of all abilities a variety of activities, support sessions and clubs that they can access during lunchtime and after school. Whether they are sporty, musical, artistic, dramatic or would like further subject support; this programme will provide students with the opportunity to learn and develop new skills, discover new interests or unlock hidden talents in an inclusive, fun or relaxed learning environment.

We want the E&E programme to be shaped by the voices of our students. We are open to new and different suggestions and so we encourage and welcome any students to come forward and share their ideas.

The E&E programme is also working to build and develop better links with our local community clubs and groups, providing our students with further opportunities to engage in other activities outside of school. We welcome organisations to also support the delivery of our E&E programme activities, whether it be taster sessions or a short-term delivery that will enhance the variety of activities we have on offer to our students. If you are an organisation that would be interested in being part of the E&E programme, please do get in touch!

Please find all the information for our '**Enrichment & Enhancement**' Programme on our website – www.marywebbschool.com/extra-curricular/

A promotional graphic for the school's extra-curricular activities. It features a large red brushstroke graphic that curves across the center. The text 'Extra-Curricular Activities @ MW Live on school Website' is written in a bold, black, sans-serif font over the red stroke. Below this, the website address 'WWW.MARYWEBBSCHOOL.COM/EXTRA-CURRICULAR' is displayed in a smaller, black, all-caps font. Underneath the website address, the text 'Keep up to date with all our Extra -Curricular activities Scan to QR Code to find out more!' is written in a smaller, black font. A QR code is positioned at the bottom center of the graphic. The entire graphic is framed by four circular logos, each identical to the one at the top of the page, located in the corners.

Revision guides and workbooks available to purchase from the school shop

There are a variety of revision guides and workbooks which are available to purchase via Parentpay for collection by the student from student reception.

The selection of books and prices will be included each week in the newsletter, this will be updated to reflect any changes in price or guides available.

The list will also be available for students in their tutor groups and students can discuss any book requirements with their subject teacher.

Parentpay

When purchasing a book please refer to the price list included in the latest newsletter. Select the '**Revision** Guides and **Workbook**' option.

In the notes field please enter the subject and whether it is a revision guide or workbook, and if the tier is Foundation or Higher. This will ensure the correct book is allocated to the student.

The price will always default to £10.50, please amend this to the correct amount from the latest price list within the Newsletter to ensure you are always paying the correct amount.

If you wish to buy more than one book a new transaction is required each time.
